What inspired you to apply for a work-trade position with Farmer Dave's?

Please describe your relevant experience and interests. We'd especially like to hear about experience with gardening, cooking, sustainable agriculture, education, farmers market sales and customer service. Help us get to know you!

Can you lift 30 to 50 pounds easily and frequently? The set-up, operation break-down of each CSA pick-up is slightly different. You will need to be able to carry and stack CSA crates, lift boxes of fruit onto tables as well as set-up and break down folding tables and possibly tents if needed.
